

DARWINISM: THE DEVIL'S RELIGION

I'm sorry, but we don't have **that** title
in **this** library.

Oh. Well, okay. I guess I can look it
up in Google.

Hi, Robby! What are you looking for here?

indigestible.nightwares.com

Don't say that name!

The Origin of Species by Ch —

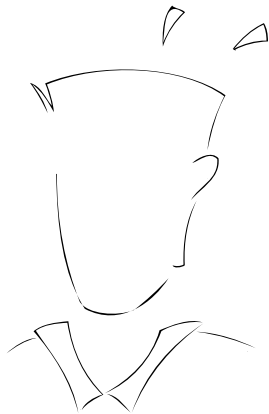

“And the **name** of the third river is Hiddekel: that is it which goeth toward the east of Assyria. And the fourth river is Euphrates.” — Genesis 2:13-15

Why not, Bobby?

Golly! Why?

Don't you know? That man is **more dangerous** than **the Devil!**

He founded the atheistic Church of **Scientism, Darwinism and Evolutionism!** It's Satan's own cult, predicated on lies such as the idea of **human rights** being more important than the right of the **LORD** to see us all living with Him in Heaven!

“Each one who crosses over to those already counted is to give a half shekel, according to the sanctuary shekel, which weighs twenty gerahs. This half shekel is an offering to the **LORD.**” — Exodus 30:12-14

Gee! Look at **that!**

Notice anything **missing**?

DARWIN

MAN

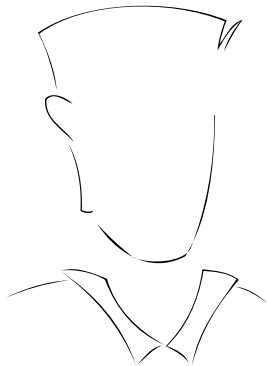

LIES

Yeah! Where's
the Bible? And ...
and where's the
LORD?

“The four wheels were under the panels, and the **axles of the wheels** were attached to the stand. The diameter of each wheel was a cubit and a half.” — 1 Kings 7:31-33

Exactly! Now you see! The **Unholy Trinity of Science** has pushed the **LORD** aside!

Unholy Trinity of Science?

“So Laban went into **Jacob’s tent** and into Leah’s tent and into the tent of the two maidservants, but he found nothing. After he **came out** of Leah’s tent, he entered Rachel’s tent.” — Genesis 31:32-34

Yes! Behold!

Yipes!

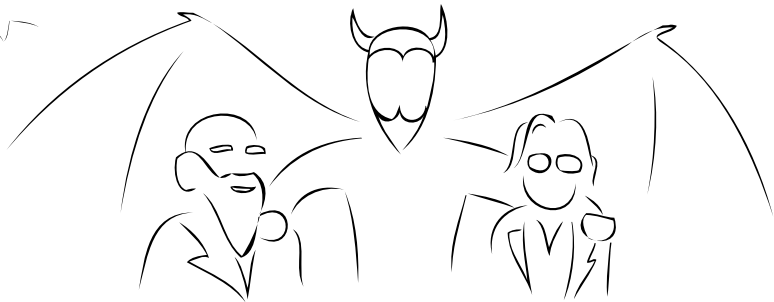

DARWIN.

DAWKINS.

Darwin looks a little like **GOD**...

That would be true, if **GOD** were the **Devil!** The evil these demons teach is an abomination! If you listen to them, you'll end up believing that a **monkey** died on the cross, not the **LORD!**

DARWIN.

DAWKINS.

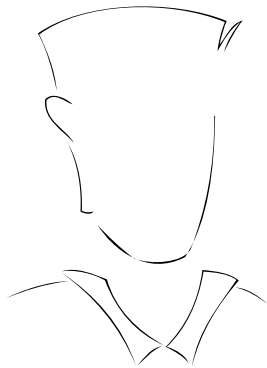

But a **monkey** can't redeem the sins of the world! Only **GOD** can by miraculously impregnating a woman, descending from Heaven to live on the world He created, then dying on a cross so He can return to sit at the right hand of Himself on high and judge the righteous in His sight, who will live forever with Him in perfected bodies that look a lot like twentysomethings except for older guys like Ben Kenobi who we see as basically being grandfatherly types forever and maybe small children, except infants who die in the cradle and probably crippled people ...

why, **you'd have to be crazy to believe otherwise!**

Precisely! Now you see how **crazy** they **really are!**

Boy, I sure am glad you stopped me from **using the Internet to sin!** I almost made the **worst mistake** of my eternal life! But I still need to take science courses — what can I study to **learn the Truth?**

All you have to do is study the **best book ever written** and **pray**, and you'll ... oh my!

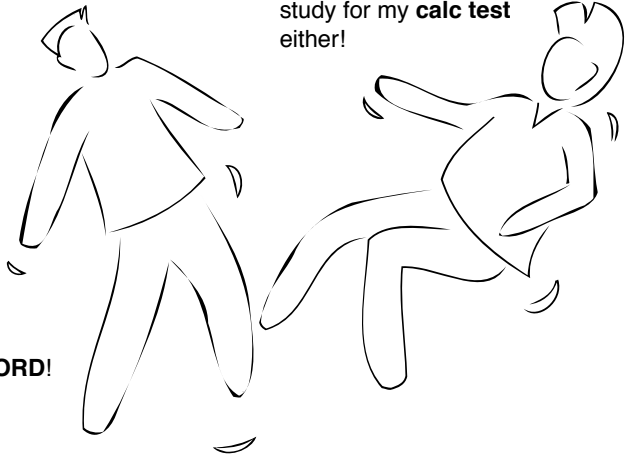

What's **happening**...?

It must be the **Rapture!**
We're going to **Heaven!**

Good, because I didn't
study for my **calc test**
either!

Praise the **LORD!**

Are you an **atheist**?

Why do you **hate GOD**?

If you believe in **DARWINISM**, then you're going to **HELL!**

It **really is a place** and it **really does exist**, and it won't be cool like they show in The Simpsons or fun like in South Park. It'll really, really suck, **even if you're Saddam Hussein.**

So TURN AWAY from the FALSE IDOLS of REASON, KNOWLEDGE, LOGIC, SCIENCE and INTELLIGENCE!

Let the contrary power of the BIBLE fill your mind instead!

Say this prayer three times a day to be **SAVED**:

Dear LORD, I am heartily sorry for believing I was descended from babboons. I know how silly that is now because I don't even have a tail. If You forgive me and don't smite me I promise I'll never eat another banana again, or any other suggestive fruit or vegetable. Amen.
